

Electronic Delivery

OPTIONAL

IF YOU NEED FURTHER ASSISTANCE IN COMPLETING THIS FORM, PLEASE CALL Steadfast REIT AT 888-223-9951

Instead of receiving paper copies of the Company’s prospectus, prospectus supplements, annual reports, proxy statements, and other stockholder communications and reports, investors may elect to receive electronic delivery of stockholder communications from Steadfast Apartment REIT, Inc. If you would like to consent to electronic delivery, please sign and return this election with the Subscription Agreement.

By signing below, I (we) acknowledge and agree that I (we) will not receive paper copies of any stockholder communications unless (i) I (we) notify the Company that I am (we are) revoking this election with respect to all stockholder communications or (ii) I (we) specifically request that the Company send a paper copy of a particular stockholder communication to me (us). The Company has advised me (us) that I (we) have the right to revoke this election at any time and receive all stockholder communications as paper copies through the mail. I (we) also understand that I (we) have the right to request a paper copy of any stockholder communication.

By electing electronic delivery, I (we) understand that I (we) may incur certain costs associated with spending time on the internet (“on-line”) and downloading and printing stockholder communications and I (we) may be required to download certain software to read documents delivered in electronic format. Electronic delivery also involves risks related to system or network outage that could impair my (our) timely receipt of or access to stockholder communications.
